You are cordially invited to help the Me-One (Cancer-Zero, Me-One) Foundation, kick off our first annual Golf Tournament fundraiser! This exclusive event will be on November 2, 2009 at the stunning Granite Bay Golf Club, an award-winning course, which features not only beautiful greens, but also lavish wetlands and lakes; a breath of fresh air for all to enjoy.

This incredible fundraiser is vital in supporting the Me-One Foundation's Camp Challenge, a **no-cost**, annual fun and rejuvenating weekend for *adult cancer patients and their families*. Activities such as arts and crafts, face painting, ropes courses, drum circle, singing and dancing, archery and other sports, as well as spa amenities create wonderful memories for our families, memories that last a lifetime.

Individuals or businesses interested in getting involved can choose from a variety of sponsorships, or can make a direct donation to the Me-One Foundation.

With your very generous help, the Me-One Foundation can continue to provide a haven of hope, *bringing cancer families together for life*. This special celebration, which is "a party of life," helps to keep the scoreboard at Cancer-Zero, Me-One.

If you'd like to learn more about the Me-One Foundation, please visit our website: [www.me-onefoundation.org](http://www.me-onefoundation.org).

Thank you in advance for considering this sponsorship. If you have any questions, please call me at (916) 223-0714. I look forward to talking with you soon.

Sincerely,

Juli Pywell  
Director of Camp Activities  
Me-One Foundation

We are a non-profit organization [under IRS section 501(c)(3)].  
Please remember that your tax deductible donation will make a difference in the life of a person with cancer.
